### New Fall Suits!

Not Too Cheap to be Good, But Cheap Enough to Make a Good Advertisement.

We have just received a lot of new Fall Suits bought at a price which enables us to give you one at mark-down prices. These Suits are made from good all-wool cloths which have been very popular, but the manufacturers, being unable to get the cloths as fast as they needed them, were compelled to throw out the line. So they made up the few cloths on hand into garments of the same style and finish as Suits we would have to sell for \$18.00, but put in a good quality of mercerized lining instead of silk, which enables us to sell you the Suit for \$12.50, and there is no less than \$15.00 value in the same. As they come to us so they go to you. They are a bargain at \$12.50.

### Ladies' Velveteen Waists.

We are showing a complete line of new Velveteen Waists for Fall, both in plain and figured effects. These Waists are a very popular garment for this Fall and will be much worn this coming Winter. They come in all the popular shades, such as blues, browns, greens, castors and black. No lady's wardrobe is complete without a Velveteen Waist for the cool Fall days. To see them is to own one.

## TRUTH IS MIGHTY And Will Prevail.

An epidemic of sales has corrupted the Clothing business. The sham has grown with years, until effrontery blazons itself on every side.

Coats, Suits and Trousers are marked double their worth and then reduced half! If some advertisers were compelled to establish the truth of their statements it would ruin many of them—since it would force them to be honest. It is easy to distinguish between our values and false values. That's what has made our great business. How else could we sell more Clothing than any other store in town? People buy where they can get the most for their money and are certain of satisfaction.

The success of a store depends upon what it does and not what it promises to do.
